5. **SUBJECT:** Amendment 2 to Agreement SW9-910-2760 for City Facilities Refuse Collection to Waste Management of Arizona in an amount not to exceed \$95,000.

6. **RECOMMENDATION:** Recommend approval of Amendment 2 extending Agreement SW9-910-2760 for City Facilities Refuse Collection to Waste Management of Arizona in an amount not to exceed \$95,000.

7. **HISTORICAL BACKGROUND/DISCUSSION:** The City provides waste collection for city-owned facilities. City facilities include city-owned parks and office buildings. Under this contract, front-load collection is provided using 2, 3, 4, and 6 cubic yard metal containers. To reduce costs associated with collection, selected facilities were monitored to assess the feasibility of converting from front-load collection to side-load collection, using 300 gallon plastic containers. For facilities where conversion was deemed practical and implemented, cost savings of approximately \$11,200 was achieved. Staff continues to monitor city facilities not yet converted to determine whether conversion is feasible and beneficial in suiting the needs for adequate waste disposal.

8. **EVALUATION PROCESS:** In July 2009 Council awarded Agreement SW6-910-2320 for City Facilities Refuse Collection. The Agreement was awarded for a two-year period with provisions to extend three additional years. The contract was extended for the first year with no price increase. The Contractor has agreed to extend the second year with no price increase. The purpose of Amendment 2 is to execute the second one year extension. Due to increases in fuel and CPI staff believes re-bidding would not result in reduced costs for collection.
